SUBJECT: Weekly Report

5. On 8 June the D/CO and the Chief, OC Engineering Division met for an hour and a half with the Deputy Director and Associate Deputy Director for Science and Technology and briefed them on the OC upgrade program.

25X1 6. Plans are underway to conduct another exercise simulating the loss of a base station [REDACTED]

25X1 7. Our submission to the IC Staff outlining the needs of the 1993 survivable CIA communications network drew an unexpected response when the Agency was contacted by DoD which informally raised the possibility of providing funds for us to conduct studies in the area of survivability. We are considering how such funds might be used if they should become available.
